JEREMY R. MOREY

ESTIMATOR/PROJECT MANAGER

YEARS EXPERIENCE: 23

INTRODUCTION

I have been in construction for 23 years, starting as a rod man on a surveying crew and advancing to an estimator/project manager. I have worked on all types of civil/infrastructure projects including, but not limited to, the construction of Interstate Highways, State and Local Roads, Public and Private Sitework/Grading, and Landfills. My primary expertise is Civil Site Construction. I also build GPS models for our foremen to install on equipment and hand-held units for layout and grading. Safety and quality are also items I assist our team in managing.
