FRANKIE APPLGATE SITE SAFETY REPRESENTATIVE

INTRODUCTION

Frankie has been around safety for the last 10 years as a State of Kentucky Certified Volunteer Firefighter. He started as a Probationary Firefighter and eventually climbed the ranks and has been promoted to Lieutenant. During his time at the Fire Department he has performed duties in the following: fire suppression, emergency medical aid or rescue, hazardous material responses, training, building inspections and public education. Now Frankie is using this knowledge and applying it to Construction Safety. Frankie is a quick learner and has been involved in multiple projects involving demanding clients such as Dow and TVA. Currently, Frankie is the full-time safety representative on an underground utility project in Carrollton, KY for Cabot Corp. on a former Dow Chemical site.
