MATTHEW SMITH
SITE SAFETY REPRESENTATIVE
YEARS EXPERIENCE: 13

INTRODUCTION

I have been in construction for 13 years, starting as a laborer and working my way up to Foreman, General Foreman, Steward and finally Safety Representative. I have a wide variety of experience in different types of civil/infrastructure work including Power Plants, Department of Energy facilities, Chemical Manufacturing Plants, Dam Modifications and Ponds. I have worked for clients such as TVA, Dow Chemical, Hemlock Semiconductor, Cabot, TransCanada, and DOE for the last 11 years. I have 6 years of experience in dirt work and 6 years in remediation. On most projects I have been responsible for directing the work and coordinating with Safety/Radiological Control Technicians to ensure procedures were being followed. I accepted the dedicated Safety Representative position and continue to perform this role with Fisher.
